Our tour starts on June 12<sup>th</sup> with our Air Canada flight to Vancouver. On arrival we will be transferred to the Delta Vancouver Suites Hotel for one night. This hotel has an excellent location in the heart of Downtown Vancouver. Tonight we will enjoy a group dinner overlooking Vancouver.

### Delta Vancouver Suites:

All 225 full-service suites offer a separate bedroom and parlor area. The bedroom is either closed off by a full bedroom door or a retractable glass door, or the living area can be partially shielded by a dresser with a swiveling television. All suites feature 2 telephones with dual line speakerphone, with data port and voicemail, high-speed Internet access, coffee maker, mini-fridge, windows that open, floor-to ceiling windows, air conditioning, alarm clock, AM / FM radio, colour TV, hair dryers, iron and ironing board.

On Sunday after breakfast, we will tour around Vancouver with a stop at Stanley Park, see the cobblestone streets of Gastown and the Granville Market. At noon we board Celebrity's Mercury to begin our exploration of the Inside Passage and Alaska for the next 7 nights. The next week will give us the opportunity to see the Hubbard Glacier (the largest calving glacier on the North American continent), visit Juneau which is Alaska's capital city and a chance to ride a Dogsled across Mendenhall Glacier and stop at Ketchikan which is known as "Salmon Capital of the World". This is the best way to explore Alaska and you just have to unpack once and your main dining room meals and entertainment on board ship are all included!

Celebrity Cruises offers comfortably sophisticated, upscale vacation experiences with highly personalized service, exceptional dining, and extraordinary attention to detail. Celebrity continues to reap stellar rewards - including sweeping *Conde Nast Traveler's* "World's Greatest Ships" readers' survey which deemed seven Celebrity ships among the top 10 large ships.
